An Ancient Belief.

The ancients believe that rheymatism was the work of a demon within a man. Any one who has had an attang will agree that the infliction is demoninc enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would east out demons, but it will cure rheumatism, an I hundreds bear testimony to the truth of this statement. One application releves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by all drug-
